Headline:

Dry and sunny today with generally light winds.

Today:

A fine, dry day ahead with the vast majority seeing plentiful sunshine. Winds generally light and variable, but across the east coasts moderate northeast breezes expected. Maximum temperature 10 deg C (50 deg F).

Tonight:

Most staying dry with some late sunny spells. Cloud gradually spreading from the north overnight, bringing the chance of a few light drizzly showers towards the Moray coasts by dawn. Minimum temperature 0 deg C (32 deg F).

Friday:

Rather cloudy start to the day, with a few light showers possible, but brighter spells increasing into the afternoon. Northwest winds, fresh to strong across Banff and Buchan. Maximum temperature 10 deg C (50 deg F).

Outlook for Saturday to Monday:

Saturday dry and bright. Sunday brings strong to gale winds, a band of rain crossing from north, clearing to showers, these wintry to all levels late Sunday and through Monday.
